## Director's Note

Welcome to Extensions School of Dance's 33rd Annual Recital, "Chapter 33: A Dance Story."

Each season at Extensions becomes its own story, filled with hard work, growth, friendships, challenges, and moments of joy. This year, our dancers have truly turned the page in so many wonderful ways. From our youngest dancers taking the stage for the very first time to our advanced students continuing to refine their artistry, it has been such a privilege to watch each student grow in confidence, technique, and performance.

All of our instructors are incredibly proud of the progress our students have made this season. The dedication shown in class, the excitement during rehearsals, and the commitment to improving week after week have been inspiring. Every dancer on this stage has worked hard to bring today's performance to life, and we hope they feel proud of all they have accomplished.

We would also like to recognize our Performance Team dancers, who have had an outstanding year. Their hard work, professionalism, and team spirit have represented Extensions beautifully both inside and outside the studio. We are so proud of their growth, their accomplishments, and the example they set for our younger dancers.

A heartfelt thank you goes to our terrific team of instructors and choreographers. Their creativity, dedication, patience, and love for our students are what make this program so special. They pour so much into every class, every rehearsal, and every dancer, and I am deeply grateful for the passion and professionalism they bring to Extensions.

To our dance families, thank you for your continued support, encouragement, and trust. Your commitment allows your dancers to experience not only the joy of performing, but also the life lessons that come through dance: discipline, teamwork, perseverance, responsibility, and confidence.

Today is a celebration of our students and the story they have written this season. Thank you for being part of our Extensions family and for sharing in this special day with us.

With pride and gratitude,  
Michelle Spina  
Director, Extensions School of Dance

The background of the page is a dark grey/black rectangle with a decorative border of colorful, stylized bookshelves filled with books. The books are in various colors like red, blue, green, and yellow. The shelves are arranged in a grid-like pattern around the central text area.

## Senior Spotlight: Nory Whitaker

Extensions School of Dance is proud to recognize our graduating senior, Nory Whitaker.

Nory has been dancing with us for the past eight years, and throughout that time, she has grown into a beautiful dancer, performer, teammate, and young woman. Her first show was “The Greatest Showman,” where she performed “Heart of Mine,” “One Brick at a Time,” “Come Follow the Band,” and “7 Rings.” This season, Nory will take the stage in ballet, pointe, jazz, and tap, where she brings so much personality to her role as the candy man in “Charlie and the Chocolate Factory,” “The Stand,” “The Ballet Shoes,” and “Jungle Book.” She also made time in her busy senior year schedule to perform a solo to “Matilda,” which is such a special addition to her final recital weekend. Beyond her dancing, Nory has been a wonderful part of our studio family. She has built lasting friendships at Extensions, and her dance friends will miss sharing the studio and stage with her. Her presence, kindness, and dedication have meant so much to all of us.

After graduation, Nory will be attending Rhode Island College to study diagnostic medical stenography. We are so proud of her and excited to see all that she will accomplish in this next chapter.

Congratulations, Nory. We are so grateful to have been part of your dance story, and we will be cheering you on every step of the way.

## Closing Note

As we close another wonderful recital season, we are reminded that dance is so much more than steps, music, and costumes. In the studio, our students learn discipline, confidence, teamwork, responsibility, creativity, resilience, and the joy of working toward a goal. These lessons stay with them long after they leave the stage, and we are so proud to be part of their growth.

We are already looking forward to the season ahead! Dancers interested in taking their training to the next level are invited to learn more about our Performance Team opportunities for the upcoming year. We also encourage students to keep their skills strong over the summer by joining us for summer classes.

Summer is also a great time to introduce a friend to dance! We would love to welcome new dancers into our studio family and share the joy of dance with them.

Fall registration is now open, and families may take advantage of discounted registration through recital weekend. We hope you will continue dancing with us as we begin another exciting chapter together.

Thank you for entrusting your dancers to our studio. It is a privilege to teach them, encourage them, challenge them, and watch them shine. We are grateful for your support and proud to be part of your child's dance story.
